

# stamp it! mini cork stamps

## maker checklist

- bottle cork
- craft foam scraps
- stamp pad
- scissors + glue
- paper clip or toothpick
- paper for stamping

## HOW TO

cut tiny shapes out of craft foam.  
stick to the flat end of a cork.  
impress dots or other details into  
the foam with a toothpick or paper clip.  
try it! stamp and layer your mini  
designs. create a city, words, whatever  
you like! it is visual brainstorming.
