

play it! popsicle matching

maker checklist

craft sticks

white paper or cardstock

colorful paper or cardstock

glue or tape

markers for drawing

1 **create and color a set of pictures** for your game. make sure to create matching *pairs* of drawings (that means 2 of each). you can print and use the template on the next page.

2 **cut out the pieces and tape or glue** a craft stick to the back of each.

3 **trace and cut out another set of** popsicle shapes from colored paper, cardstock or corrugated paper.

4 **glue the colorful popsicle shapes** to the back of each of your drawings, with the craft stick in the middle.

turn them face down,
scramble, and play!
