

upcycle it! diy t-shirt scarves

you need old t-shirts and good scissors... that's it!

cut

straight across,
1- to 2-inch strips,
up to the sleeves

discard the hem,
it won't stretch

2 stretch

the loops so that the edges curl
in and the loop lengthens

3 create

your scarf using all sorts of
fabric engineering techniques!

fabric engineering

braid

tie

wrap

gather

knot
